Our instructors' 2018 class placement assignments for last year's sailors are available. Emergency contacts, medical information & liability waivers must be signed by each student's parent/guardian *before* his/her first class. A mandatory swim test must be passed their first day. Students are asked to bring their own US Coast Guard approved life vest with a whistle attached, foul weather gear and a water bottle. Classes will run rain or shine, but students will remain on shore in dangerous weather.
